**This form is required to assist the Cemetery in determining eligibility for burial in the California Central Coast Veterans Cemetery.**

Eligibility determination allows a veteran to establish his/her eligibility for interment at the California Central Coast Veterans Cemetery. There is no cost for this determination and it does not obligate the veteran to be interred at the cemetery. Eligibility determination is intended to simplify and assist the veteran's next-of-kin.

Eligibility determinations shall be made in accordance with federal regulations (38 CFR 38.620) or state regulations (CCR Title 12 Sec. 460-461)

There will be an interment fee for eligible spouses and dependent children at the time of need. Associated funeral expenses are incurred by the Veteran and/or family.

Please complete the application as instructed below:

- Complete the "Veteran's Information" and "Service Record" sections of the form. Please note that the "Service Record" information listed on this application is not in lieu of providing the Cemetery with a copy of Form DD-214 or other equivalent discharge document. A copy of either of these documents **MUST** be included when submitting this application. Failure to provide the required service record document will delay processing the application.
- Complete the "Contact Information" with either the veterans contact information or the family member who will be able to assist the Cemetery in the event more information is needed.
- Complete the "Spousal Information" if the eligible spouse wishes to be interred in the Veterans Cemetery. A copy of the Marriage License **MUST** be included when submitting this application. Failure to provide a copy of the Marriage License will delay processing.
- In certain circumstances, dependent children may also be eligible for interment. Please contact the Veterans Service Office below for more information regarding dependents.
- The person completing this application should sign and date the form. Please indicate the relationship to the Veteran. It is recognized that in certain cases the Veteran may require assistance and not be the individual completing the application.
