## **V. Old business:**

The Halloween night event was well received in the community. We had 30+ kids come by as well as members of the community and the police patrol. Everyone enjoyed the decorations courtesy of Brian and Lauren Andrus. We should build on this and continue to increase our public profile.

Planning for Veterans Day continues; The City will provide the flowers and wreath but will not set up the normal public gathering. The Post members plan to meet and gather at the memorials in the park to conduct a scaled back service and lay the flowers and wreath as always. A notice will be posted to the Post webpage.

Security cameras and security assessment: An assessment was completed, and 1 additional camera was added in the memorial hall to cover the rear windows. Audio would be muted on the monitors in the lounge and pool room.

Motion made, seconded and passed to accept the assessment.

## **VI. NEW Business:**

- a) A discussion was had about our annual events calendar and how is traditionally in charge of each event. Generally, turn out to meeting is minimal and so is participation in planning and organizing. Consequently, just a couple of members end up planning everything. It was suggested that we pull together all the events into one location and develop a planning guide and establish a POC for each event – Sent to the Executive Committee for action.
- b) Planning for Thanksgiving dinner was taken on by Richard Connelly. With covid restrictions closing the Hall we are looking into alternatives to our traditional dinner in the main hall. Richard is coordinating with the Auxiliary and the Carmel Foundation to piggyback our efforts and explore pickup and or delivery options. It was suggested that this year we go to a needs-based dinner plan. The adjutant will canvas the membership. Time is of the essence Thanksgiving is just around the corner.
- c) Christmas Dinner was discussed, and it was recommended that we attempt to duplicate the Thanksgiving plan at Christmas.
- d) Buddy Check month coming up. The officers will make calls to member in the month of December

End of meeting blessing and the retirement of the POW Flag was completed

Brian Andrus, Commander Post 512, adjourned the meeting at 1958 hours.
